## President's Message

Good Morning Members and Friends.

You will be pleased to know our esteemed Newsletter editor is progressing well with his new hip. I spoke to him on Wednesday and he thinks he'll be in hospital for another two weeks. He is up sitting in a chair but not walking very far yet. Trish's daughter is looking after her.

As this is our first online Newsletter, we would appreciate your comments and suggestions.

## Bus Trips.

As you probably know by now the RSL bus is no longer available to us.

Boomerang Bus Hire can supply a 24 seater bus and driver for day trips but it would add about \$25 per person to the cost of each outing and that is assuming a full bus. So, for the time being, our outings will be close to home so members are happy to drive themselves. Car pooling will be investigated again.

## Food, Glorious Food.

If you are wondering why we have so many lunches out, it is because, in our most recent survey, the majority of members said that is what they wanted. I am struggling to find local attractions to visit.

## Activities planned for July and August – See attached.

Please note the Christmas in July Function on **Thursday, July 21st** is now at the Villa Noosa Hotel. Also, the Parrots in Paradise Outing that was planned for August 11th has been replaced by a Sausage Sizzle by the Noosa River on Thursday August 18th. \$10 per person will be collected at the July meeting.

## Recipe of the Month Potato Wedges with Salt & Rosemary.

Heat oven to 180 degrees

- Wash potatoes (waxy) and cut into wedges
- Arrange potatoes on a baking sheet
- Drizzle potatoes with olive oil
- Bake for 30 minutes turning occasionally so they brown all over
- Season with chopped rosemary mixed with sea salt to taste.

## Next General Meeting

The next general meeting will be held on Tuesday, August 23rd. Hope to see you there. In the meantime keep warm and enjoy the sunshine.

## General Meetings.

Because we have had so many complaints about the muffins – stale, too much chocolate, too large, too small, melted butter etc. our order has now been changed from muffins to a plate of mixed quality biscuits such as shortbread, Anzacs etc.

Currently, we have to guess how many people will be having morning tea.

It would help if members who know in advance, that they will not be at a meeting, phone their apology through to Geoff Salmon on 0412 090 151.

If you have trouble hearing, try and sit closer to the front and do speak up when asked if everybody can hear. The sound can be adjusted.

## Guest Speaker

Our next guest speaker is Michael Beatty who recently retired after many years with the RSPCA.

In September, a representative from Noosa Council will talk about recycling. Future speakers are being approached to speak about Companion Animals for people suffering from post traumatic stress syndrome and other disabilities. There have been requests for speakers on Queensland road rules, palliative care and estate planning. If you have suggestions for speakers and/or topics, please let either Carol or Dorothy know or alternatively place your suggestions in the Suggestion Box which sits on the library table at each meeting.
