AUGUST 2023

PRESIDENTS MESSAGE

I'm finding it difficult to believe it is August already. It seems strange organising our Christmas Party so soon after celebrating Christmas in July.

At our last meeting, I asked for expressions of interest for nine different activities.

By far the most popular was lunch on the Noosa Cruiser, closely followed by a visit to Katie Rose Cottage in Doonan. Lunches at the Thai Spirit House and Sum Yung Guys were also popular. There was sufficient interest in a day out on the Rattler to make it happen provided I can find enough drivers. All these events are currently being organised by me and my new assistant, Lyn Fowler. I thought all my Christmases had come at once when Lyn offered to help me organise functions.

Many of the committee members are wearing several hats and would really appreciate some help from members even if it is something simple like ensuring we appear in Community Updates in the Noosa Today each week. There are plenty of jobs that don't require computer skills. If you have some free time, let me know and I'll find you a job that suits your personality, skills and the time you have to spare.

Our Welfare Officer, Wanda Boyles, will be in Japan from the 12th of September to the 12th of October, I'm looking for someone to take over this role whilst Wanda is away.

On August the 23rd and 24th, the three times Grammy winning Soweto Gospel Choir will be performing at The J Nooa at 7.30 p.m. Tickets are \$84.90 but if we can get a group of six or more, the price drops to \$64.90. If you are interested in attending this special event, please contact Lyn Fowler on 0409 006 769. I feel sure, if we can get a group together, carpooling can be arranged even though we are very short of night time drivers.

I was disappointed that only seven members said they would like a Summer Escape to the Big 4 Sandstone Point Holiday Resort. We last went there before Covid and I had my first experience at glamping which I highly recommend. We also had a luncheon cruise on the Pumicstone Passage where I saw my first dugong. The visit to the Butterfly House, the Maritime Museum and the Bowls Club on nearby Bribie Island were memorable as were the happy hours and BBQs. Perhaps we should reconsider Sandstone Point when planning our 2024 Getaways? It is only just over an hour's drive from Tewantin. Talk to Robyn and Carol if you still need convincing.

Judith Bradley is our Guest Speaker this month. She was in charge of rescue operations after the devastating floods in Queensland when Gympie was cut in two and the water in Gympie Terrace was knee deep. Many of our functions had to be cancelled because of road closures and dangerous driving conditions.

Mary and Jill have an interesting group of speakers lined up for the remainder of 2023 covering topics such as Queensland Road Rules, fire safety in your home and a key player in the historic Fitzgerald inquiry which saw a Queensland Police Commissioner jailed and a former Premier charged with perjury.

As you can see, we have an exciting time ahead of us. Do you have a friend, neighbour or acquaintance who might like to share this excitement? Think about it. We need to grow our membership to ensure the future of our Club.

LIFE MEMBER MICHAEL ANDERSEN

IF YOUR BIRTHDAY DOES NOT APPEAR HERE IT IS BECAUSE WE DO NOT HAVE IT.

THE PARIS SECRET is an unforgettable story about the lengths people go to to protect one another, and a love that, despite everything, lasts a lifetime

Four generations of women linked by a gorgeous and mysterious blue dress tucked into a cupboard in a cottage on the wild Cornish coast. **Fascinating!** Sydney Morning Herald

England, 1939 Talented pilot Skye Penrose joins the British war effort where she encounters her estranged sister, Liberty, and childhood soulmate Nicholas Crawford, now engaged to enigmatic Frenchwoman Margaux Jourdan

Paris, 1947 Designer Christian Dior unveils his extravagant first collection to a world weary of war and grief. He names his debut fragrance, Miss Dior, in tribute to his sister, Catherine, who worked for the French Resistance.

Present day Australian fashion conservator Kat Jourdan discovers a secret wardrobe filled with priceless Dior gowns in her grandmother's vacant cottage.

As she delves into the mystery, Kat begins to doubt everything she thought she knew about her beloved grandmother. An unspeakable betrayal will entwine all of their fates
'This meticulously researched novel is about the lengths people will go to protect one another and a love that lasts a lifetime.

"This is a tearjerker, so stock up on tissues, sit in a quiet corner and don't move until you've finished this extraordinary book"

I read the other day about being old and here are a couple of one-liners relating to that. I thought you may like to use them in the Probus Newsletter - I won't mind if you don't think they are worthy.

*"I am so old that when I was a kid you actually had to win something to get atrophy!"
'I had my patience tested. I'm negative."* From Brenda Robinson.

Thank you Brenda

RECIPE OF THE MONTH

- 1/ Heat oven to **200** degrees C
- 2/ Onto a slightly greased/oiled baking dish, place one creamy garlic chicken Kiev (Ingham's), one potato gratin (Community Co) and # one ham steak brushed on both sides with Maple Syrup.
- 3/ Place in oven for **30** minutes. Whilst it is cooking, sit and relax with a glass of your favourite tippie. If you remember, it is a good idea to turn the ham after **15** minutes. " I use a kitchen timer to remind me."
- 4/ After **30** minutes remove baking tray from oven and allow food to rest for **5** minutes. Cut everything in half to make two small meals or eat the lot.

#The ham is optional.

5/ Serve with a green vegetable or salad of your choice and some cranberry sauce/jelly.

(Thank you El Presidente for the recipe)
