

PRESIDENTS MESSAGE

Here we are in November and beginning to think of winding down until after New Year.

Proposed Changes to Constitution.

At the October meeting, your Management Committee approved PSPL's proposed changes to the Standard Probus Club Constitution. The main objective is to modernise the Constitution and bring it into line with modern day business practices.

Reference to "former occupations" has been removed making it clear that Probus is for all retirees and semi retirees from all walks of life.

The new Constitution will allow each Club to have more input and control over the day-to-day administration of their Club's affairs. The next step will be a review of our Standing Resolutions.

Lunch on the Noosa Cruiser on Thursday November 2nd

I realise it is now very short notice, but I'd be happier if we had more people attending this outing. It is not too late....Just call me on 0419 670 771.

Melbourne Cup Day at The Royal Mail Hotel, Tewantin on Tuesday, November 7th.

There are 22 members on the list to attend this function. It is not too late to add your name to the list. Senior's Meals are available so it will be an inexpensive, fun day.

The Spirit House Lunch on Thursday November 16th.

I have two tables reserved. One at 12 o'clock and the second at 12.30. I shall be in touch shortly to finalise arrangements. It appears some members have changed their minds about attending this event. So, if you haven't put your name/s down, there is still a chance. There are plenty of drivers available.

Christmas Party at Noosa Habitat on Thursday December 7th

So far, thirty members have paid to attend the Christmas lunch. There are still some vacancies so if you would like to attend, please let me know. You can pay at the November general meeting and car-pooling can be arranged.

Christmas Picnic in The Noosa Botanic Gardens on Thursday December 21st at 12.30

About twenty people have said they would like to attend this function.

You have a choice.

You either BYO picnic or you pay \$20 and a picnic lunch will be provided. The \$20 will be collected at the general meeting on **Tuesday, November 28th.**

January Meeting on Tuesday 23rd

As you are aware, we don't meet in December as the fourth Tuesday is far too close to Christmas Day.

The January meeting is when we plan what we want to do during 2024. What attractions do we want to visit? Where do we want to go for the Probus Getaway? What bus trips do we want? Please let Lyn Fowler have your suggestions by **January 16th.**

Lyn's mobile number is 0409 006 769 or you can email her at fourhats@bigpond.com.

The Foodies have an opportunity to enjoy different cuisines each week. Our lunches are nearly always on a Sunday commencing at 12.30. There is usually one fine dining experience each month as well as visits to Asian and Mediterranean Restaurants and local pubs and clubs. Numbers attending vary from eight to twenty plus. CHERRY SIMMONDS

Nobody in Particular

A heart-warming and hilarious account of growing up on Merseyside in the 50s and 60s

Funny, sad, heart-warming, wise and utterly winning account of growing up in the back streets of Liverpool in the '50s and '60s - a must read for all who've enjoyed Nadine Dorries' *Four Streets*.

NOBODY IN PARTICULAR is the hand-on-heart, honest, charming and occasionally tear-inducingly tragic, often laugh out loud funny story of what it was like to grow up in Liverpool in the 1950s and '60s as the youngest child in a large and somewhat eccentric Anglo-Irish family: Cherry's father would while away the hours playing his guitar in the outside loo until the pubs opened while her mother seemed

into saving for a divorce or her own business - whichever came cheapest!

Capturing the despondency and deprivations of post-war England as embodied in the back streets of Liverpool and the subsequent vibrancy and liberation of the swinging sixties - the decade of the Beatles, national strikes and Liverpool FC winning the FA cup for the first time - this is an ebullient tale told by a natural storyteller. NOBODY IN PARTICULAR is not only a funny, affecting and nicely self-deprecating personal story (peopled by some splendidly observed larger-than-life characters - her family) but also a rather wonderful slice of social history, evoking a bygone yet still familiar and fondly remembered era.

January January is named after Janus, the Roman god of beginnings and endings.

February February is named after a Roman purification festival called februa, ay, a "month of cleansing" seems like a good way to say goodbye to the old and usher in the new.

March March is named after Mars, the Roman god of war.

April There are a few different theories about where April gets its name. Some believe that April is derived from the Latin base apero - meaning "second" - because it was once the second month of the year. .

May May is named for the Greek goddess Maia. She had a son, Hermes, with the god Zeus, and she was an earth goddess and a goddess of growth, which explains her connection to this springtime month.

June June is named after Juno, the wife of Jupiter and queen of the gods.

July July was the birth month of Julius Caesar, for whom the month was renamed

August August is the only other month named after a historical figure - Augustus Caesar,

September, October, November, December

September, October, November, and December come from the Latin words septem, octo, novem, and decem, meaning "seventh," "eighth," "ninth," and "tenth." Though their root meanings now make them feel out of place in the calendar year, prior to the addition of July and August they were indeed the seventh, eighth, ninth, and tenth months.

WHO NAMED THE DAYS OF THE WEEK??????

The ancient Babylonians named the days of the week. The 28-day lunar cycle was broken into four weeks, each consisting of seven days.

The days of the week were named after the celestial bodies which the Babylonians observed: the Sun, the Moon, Mars, Venus, Mercury, Saturn, and Jupiter.
