

# TEWANTIN NOOSA PROBUS CLUB

## MARCH 2024 NEWSLETTER

### Joan's Final Message as President

Hi Everyone,

David's headline says it all. Rooster one day: Feather duster the next.

### Our Current Probus Constitution

Our current Probus Constitution doesn't allow a member to be President for more than two consecutive years. Neither does it allow committee members to remain in the same position for more than three years.

### Proposed New Constitution

There is a new Constitution on the way which will give Probus Clubs more control over how they manage their clubs. This should be in place well before the 2025 AGM.

### Nominations for positions on the Management Committee

I'm pleased to announce that nominations have been received for all committee positions. That doesn't mean you can sigh with relief and sit back and do nothing. There is still a lot of help needed. So, if you have time, energy and enthusiasm, let me know and I will find the right position for you. There are plenty of jobs that do not require computer skills.

### Sandstone Point Getaway – October 20 to 24th

Group Bookings have closed for our Getaway to Sandstone Point in October but it is possible the resort still has vacancies that week so please let me know if you would like to join us from October 20<sup>th</sup> to 24<sup>th</sup>. At this stage, car-pooling is still available.

### RSL Catering

The less said about catering at our last general meeting the better. It was by far the worst I have experienced yet. Our catering manager, Carol Kemp, is home from America and I am sure she will have it all sorted before the March meeting.

### Bendigo Bank Sponsored Bus Trips

As I write this message, we still haven't heard from the RSL if they can provide a bus and driver for the two Bendigo Bank sponsored bus trips. I hope to have definite news before our next meeting.
