# PRESIDENT'S MESSAGE

President's Message

07/06/2022

At today's meeting, the management committee unanimously agreed to appoint a web designer to create a website for our Probus Club. One of the goals of the new website, is to attract new, younger retirees who do not read newspapers.

Long term, it will replace our Newsletter when David retires.

In the meantime, it will offer many useful benefits for our existing members.

If anyone has any website experience, the committee would welcome your assistance.

Last night, David sent me a preview of the June Newsletter. It is looking exceptionally good this month. I would like to thank all the members who contributed photographs. They are really first class. The kind of photographs, newspapers, newsletter editors, like to publish.

The only unhappy face is mine after the waitress poured a glass of sparkling wine over my table setting. My expression soon changed to astonishment, when the man in charge scooped up the spilled wine in a dessert spoon and poured it back into my glass! **Fine dining in 2022??**

You will all be pleased to know that Maisie's Seafood and Steak Restaurant has opened again but they are not currently opening for lunch on Saturdays. So, our lunch on Saturday June 18<sup>th</sup> will still be at Grenny's Restaurant as was announced at our last general meeting.

Our Guest Speaker, this month is Nutritionist and author, **Honor Tremain**. Honor last spoke to us about four years ago.

What I remember best about her talk is that red wine, aged in oak, has lots of antioxidants and is therefore, very good for us. I am really looking forward to listening to her again as I know she will have lots of interesting facts to share with us.

See you on Tuesday the 28<sup>th</sup>, if not before.

*Joan P.*

Membership now stands at 42  
31 Ladies & 11 Men

*"THERE MUST BE A STORY BEHIND THAT !!!!!!"*

**"ROBYN IS BEHIND THE CAMERA AGAIN"**

The 19th national bestseller by Patterson marks Alex Cross's debut with the FBI. His first case:

Beautiful women across the country are being kidnapped and possibly sold into slavery.

Behind this depraved scheme stands The Wolf, a master criminal who brings a new reign of terror to organized crime.

Alex Cross's first case since joining the FBI has his new colleagues stymied. Across the country, beautiful women are being kidnapped-to be bought and sold as slaves. Behind this depraved scheme stands a shadowy figure known only as The Wolf, a master criminal who has brought a new reign of terror to organized crime.

With Alex's personal life in chaos because of his ex-fiancée's return and with the FBI's caution testing his patience, Alex has to go out on his own.

For to stalk a ruthless predator without a name or a face, Alex Cross must become a lone wolf himself...
