# PRESIDENT'S MESSAGE

## President's Message

Isn't it wonderful to have David back at the Editor's desk?

I am pleased to see the end of winter but will be even more pleased to see the end of the showery weather we are currently experiencing.

We were lucky with the weather for our recent Sausage Sizzle although parking that day was a challenge. That's the main reason, we have decided to make our Probus Day Celebration on Thursday, the 13th of October, a brunch commencing at 9.30 so that parking should be less of a problem.

Probus Day is officially the 1<sup>st</sup> of October but it can be celebrated on any day during the month. Probus Day is a recent edition to our Annual Calendar of Events. It started on October 1<sup>st</sup>, 2020 to coincide with the United Nations Day of Older Persons which is recognised internationally.

If you are wondering why there are so many events in Cooroy during the next few weeks, it is because parking is usually so difficult in and around Gympie Terrace during school holidays.

I was disappointed to hear recently that some members do not attend plays and musicals at the Noosa Arts Theatre because they mistakenly believe the standard of performance is poor. I understand that may have been the case, several years ago but not today. I was a keen theatre goer in Sydney and I have also enjoyed live performances in London and New York. I believe we are extremely lucky to have such professional performances at the Noosa Arts Theatre. Lunch at Izzy Chai, followed by a Matinee is a very pleasant way to spend a Sunday afternoon.

Talking about theatre, there are still seats left for The Mousetrap and the two-day shopping spree in Brisbane from November 19 to 21. If interested, please contact me as soon as possible.

Our Christmas Lunch this year will be in the new Functions Room at the Noosa Reef Hotel on Thursday, December 8<sup>th</sup>. The venue has been highly recommended by several members.

In the meantime, I look forward to seeing you at the meeting on Tuesday September 27<sup>th</sup>, if not before, at one of the functions.

*Joan P.*

President Joan welcoming Helen & John into the club

John and Helen arrived in Sydney from the U.K. in 1966. They moved to Noosa in the late 1990s where they established an interior design and property maintenance business. They are both keen gardeners and they both volunteer for Meals on Wheels. John has already demonstrated his BBQing skills at the recent Sausage Sizzle. ( an excellent stand in for Treasurer Geoff Salmon who was unable to attend *Ed*)

They have a son living here in Noosa and a daughter, three grandchildren and six great grandchildren in Sydney.

They have only one major wish left on their Bucket List and that is to visit Machu Picchu, the 15th century Inca Citadel, high up in the Andes in Peru.

## Hammond Innes The Black Tide

The sedate life of Trevor Rodin and his wife, living along the Cornish coast, is brought to a sudden end when an oil tanker runs aground, causing a spill that leads to the death of Rodin's wife, Karen.

Trevor then enlists on a quest for revenge that carries him to the Persian Gulf, Gibraltar, and the islands of Madeira.

Along the way, he uncovers a terrorist plot to join with environmental extremists and create an unprecedented ecological disaster.

BYO is a popular option for many restaurants and cafes but did you know it isn't regulated by the Office of Liquor and Gaming Regulation

It is managed by local councils and each local council has different rules. Things they consider are the safety, location and suitability of BYO in that area
