PRESIDENT'S MESSAGE-

I like to write the President's Message after the Management Committee meeting but we have postponed the meeting until next Tuesday because it fell on Melbourne Cup Day. So, the meeting is on November 8th which means Movie Morning this month will be on Tuesday, November 15th – the third Tuesday instead of the second. It will be the last Movie Morning until February.

It has been brought to my attention that there are quite a lot of members who have trouble accessing emails. I'd like to organise a "buddy system" where people who can access emails communicate with those who can't to make sure everyone is kept in the loop. This system is already underway but I'd like a few more volunteers.

I know you are all aware that our local restaurants are experiencing huge staff shortages. Many that used to open seven days a week have had to cut back to five and many now have restrictions to the number of diners at each sitting. **As we have a lot of members wanting to attend the upcoming lunches at Gusto and Little Humid, I may have to arrange two tables, thirty minutes apart.**

I believe I know you well enough to know who to put at what table and it will be a good opportunity to get to know our new members. So, please bear with me on this. I am not doing it for my own amusement.

This brings me to our Christmas lunch on Thursday December 8th at the Noosa Reef Hotel. More than 30 people have already put their names down. If you haven't done so yet, please do so as soon as possible. I have booked The Private Room for our exclusive use. Several members have asked me to arrange lifts for them. If you would like a lift, please let me know. The Hotel is at the top of the hill between Hastings Street and Noosa Junction. The undercover car-park is in Viewland Drive and you need to use the entrance to your right.

Everyone is asked to bring a small gift, something that is surplus to your needs. You are not expected to purchase a gift. The gifts will be displayed on a table and you will be able to choose a gift when your name is called. We did something similar last year and it worked well.

Our next General Meeting is on Tuesday November 22nd starting at 10.00 for morning tea. As far as I am aware, it will be in our normal meeting room. Fingers crossed morning tea will be as good as it was last month. Carol has done her best to ensure it will be.

Stella Sweeney is back in Dublin. After living the dream in New York for a year - touring her self-help book, appearing on talk shows all over the USA and living it up in her 10-room duplex on the Upper West Side - she's back to normality with a bang.

And she's got writer's block.

Stella wants a clean break as she didn't exactly leave New York on a high. Why is she back in Ireland so soon? Who is it who keeps calling? Stella wants to get back to being the woman she used to be.

But can she? And should she?

“Apologies to anyone I have missed out” Ed

Some idiot'll pay good money for this.

So let me get this straight.

I go to the grocery store and buy:
a pound of sliced ham wrapped in plastic;
a loaf of bread in a plastic bag;
a gallon of milk in a plastic jug;
a pack of napkins wrapped in plastic;
a ready-made salad in a plastic container;
a plastic bottle of mustard;
and a plastic bottle of ketchup;

but they won't give me a plastic bag to carry it home, because the plastic bag is bad for the environment?

The doctor said I have to cut out drinking.
