Thursday 23rd **BREAKFAST BRUNCH IN THE PARK BY THE NOOSA RIVER**
9.30am We are celebrating *The Ides of March* and St Patrick's day (a little late).
The cost of \$10.00 will cover a memorable Breakfast/ Brunch which will be a two course meal. It will start with an Irish BBQ with eggs, sausages, bacon and Baked Beans. This will be followed by something sweet, reminiscent of what the Romans would have eaten in 50 BC. It is a late celebration of **St. Patricks Day** so members are encouraged to tell their funniest Irish joke. It is also a celebration of **The Ides of March** when Julius Caesar was assassinated so appropriate stories of this period will also be encouraged.

The best joke/story/outfit of the day will be awarded a \$20 gift voucher from the RSL

THE **IDES OF MARCH** (*IDUS MARTII*) IS THE 74TH DAY IN THE ROMAN CALENDAR, CORRESPONDING TO 15 MARCH. IT WAS MARKED BY SEVERAL RELIGIOUS OBSERVANCES AND WAS NOTABLE IN ROME AS A DEADLINE FOR SETTling DEBTS. IN **44 BC**, IT BECAME NOTORIOUS AS THE DATE OF THE ASSASSINATION OF JULIUS CAESAR, WHICH MADE *THE IDES OF MARCH* A TURNING POINT IN ROMAN HISTORY.

Sunday 26th **LUNCH AT GRENNY'S RESTAURANT**
12.30 **197 GYMPIE TERRACE NO BYO**

PRESIDENT'S MESSAGE-

President's Message

It is nice to see some rain at last but I wish Tewanin would receive its share. I just don't want it to rain on the 23rd when we are celebrating both St. Patrick's Day and The Ides of March, albeit a little late for both.

Our picnic shelter has been renovated just in time for the event. If anyone would like to add some appropriate decorations, they would be most welcome. It should be a fun morning with plenty of interesting food, stories and costumes.

Activities planned for the rest of March and April are printed in this Newsletter. Why not make a note of the dates in your diary now to avoid missing out on outings you wish to attend?

If you are wondering why so much is happening in Cooroy, it is because parking is so difficult in Noosaville during school holidays.

A lunch at Our Backyard, the home of Sunshine Butterflies has been organised for Thursday 13th of April. It will be our second visit there as everyone thoroughly enjoyed the first visit and there are many new facilities for us to see.

I have some news to share with you about the RSL bus. A bus and driver (provided one is available) will be available to us for \$500 an outing. If we can get twenty passengers, this would add just \$25 per person to the cost of the outing which could be acceptable for destinations beyond the Sunshine Coast. It is worth investigating.

Our trip away this year will be to Hervey Bay for four nights from September 4th to the 8th. An optional whale watching tour will be included in the itinerary and possibly a day trip to Fraser Island and a Sunset Cruise. If you have any other suggestions, please let me know. I am in the process of obtaining quotes but I'm hoping carpooling will be an option.

Nominations closed on February 28th for positions on the Management Committee. I'm pleased to report that nominations have been received for all positions.

The annual Membership fee of \$35 per annum is due for payment on or before April 1st. It can be paid on line. **BSB is 633000.**

Account No. is 184184273. Please make sure you include your name. If you would prefer to pay in cash, please place your \$35 in an envelope with your name printed on the envelope and give it to Caroline Shenton who will be manning the reception desk at our next meeting as Judy Saultry will be away

The Midnight Library is a [fantasy novel](#) by [Matt Haig](#),

The book's protagonist is a young woman named Nora Seed who is unhappy with her choices in life.

During the night, she tries to kill herself but ends up in a library managed by her school librarian, Mrs. Elm.

The library is situated between life and death with millions of books filled with stories of her life had she made some different decisions.

In this library, she then tries to find the life in which she's the most content.^[3] For example, in one possible life she tries to reunite with her boyfriend and finds herself married to him, but it isn't the way as she expected.

She also sees herself as a [glaciologist](#) doing research in the [Svalbard archipelago in the Arctic](#) – a very different life from the one she tries to escape, but not necessarily a better choice

The *Midnight Library* was named a bestseller by *The New York Times* [bestseller](#), *The Boston Globe*, and *The Washington Post*. *Good Morning America* selected it as a Book Club Pick.

Hope you enjoy this read !!!!!!! Pam

Strange what the eye sees !!!!!

The sad part about getting older is that no one can see you're still young on the inside.

Whoever told me to leave my car at the pub and take the bus home, turns out I was in no fit state to drive that either.

Before my surgery, the anaesthesiologist offered to knock me out with gas or a boat paddle ... IT WAS AN ETHER/OAR SITUATION.

I have a pencil that used to be owned by William Shakespeare. But he chewed it a lot. NOW I CAN'T TELL IF IT'S 2B OR NOT 2B

Astronomers got tired of watching the moon go round the earth for 24 hours. SO THEY DECIDED TO CALL IT A DAY.
