JUNE 2023

PRESIDENTS MESSAGE

31/05/2023

Tomorrow is the first day of winter and a high of twenty-six is forecast. On the first day of spring last year, we reached a high of eighteen degrees. It was one of the coldest days I remember on the Sunshine Coast. What is gloining on?

We were extremely lucky with the weather the day we celebrated the Club's 21st Anniversary with a Royal Garden Party. Did you see the photo in Noosa Today of Val Chapman wearing the winning crown?

Arrangements are well under way for our day trip to Cooloola Berries on June 22nd . Carpooling has worked out well. There are still two spare seats. At 10.00 a.m., we will be stopping at the Black Ant Café in Kin Kin for brunch, if you would like to join us for brunch, please let me know.

I am really looking forward to this year's Getaway in Hervey Bay. Itinerary highlights include a visit to Hervey Bay Botanical Gardens and Orchid House with more than five thousand orchids on display. On the Wednesday, we will be lunching at the magnificent Lychee Hill Estate where we can taste some of the delightful wines and other delicious products made from lychees. On the way back to Hervey Bay, we shall visit some of Maryborough's famous tourist attractions.

On Thursday morning, there is an opportunity to enjoy Brunch at Dan and Steph's Café in Torquay. This should be a very special experience as Dan and Steph were the winners of series four of My Kitchen Rules. That afternoon there is an opportunity to go whale watching with Bev Brooks on her family's boat. Bev has organised a very special deal just for us at just \$80 per person.

**DIAMOND
HUNTER**

'It won't matter how many diamonds you find if you lose the love of your child.'

When six-year-old Clementine Knight loses her mother to malaria during the 1870s diamond rush in southern Africa, she is left to be raised by her destitute, alcoholic father, James. Much of Clementine's care falls to their trusty Zulu companion, Joseph One-Shoe, and the unlikely pair form an unbreakable bond.

When the two men uncover a large, flawless diamond, James believes he has finally secured their future, but the discovery of the priceless gem comes at a huge cost. A dark bargain is struck to do whatever it takes to return Clementine to a respectable life at the Grant family's sprawling estate in northern England – while the diamond disappears.

Years on, long-buried memories of Clementine's childhood in Africa and her beloved Joseph One-Shoe are triggered, as she questions who she can trust. To solve the mystery of what happened to her loved ones all those years ago, she must confront a painful history and finally bring justice to bear.....
